## Fly a kite at Garry Point

At the western-most tip of Steveston, Garry Point Park is known for its great kite-flying winds and views across the Salish Sea and up the Fraser River. Take along a picnic or grab some ice cream at Timothy's and fish & chips from Pajos.

## Steveston Community Park

Find the popular playground and waterpark next to the [Steveston Community Centre](#). Come prepared for hours of climbing and sliding. After you get all your energy out, check out the [Steveston Tram](#) museum beside the park and see how people used to travel from Vancouver to Steveston.

## Splash Toy Shop

[Splash Toy Shop](#) is a family-owned business started in 1991 and is a staple of Steveston. The shop features familiar retro toys, a wide selection of board games & puzzles and all the newest must-haves. Find a colourful kite to fly at Garry Point Park!

## Village Books & Coffee House

[Village Books and Coffee House](#) features both new and secondhand books, baked treats, warm drinks, and a vast selection of kids' books that are sure to amuse your little one. Don't forget to check out the new [Steveston Sweet Shoppe](#) next door (opening soon).

## Britannia Shipyards
